Brilliant Study Centre Pala and Dr. Bhatia Medical Coaching Institute (DBMCI) Delhi have a common and unique mission to create an excellent competitive environment in MBBS Doctor community and thereby enable them to climb the pinnacle of MD/MS with utmost diligence and maximum dexterity.

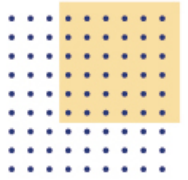

While DBMCI is eager to impart qualitative education with consolidated strategy and scientific approach to produce proficient professionals, Brilliant Pala with the motto "Chiselling the Brilliants" continue to be the leading provider of entrance coaching programme of the highest quality in PG & UG NEET examinations.

ERNAKULAM CAMPUS

The Ernakulam campus which was opened in the year 2012 has become a full fledged regional centre of Brilliant Study Centre having amazing infrastructural amenities and is located near S.H. College, Thevara. As we have anticipated at the inception, the Ernakulam centre have given wings to the dreams of parents and students. The centre has its own library, multimedia systems, etc. All the facilities and activities at the main campus at Pala are available at the Ernakulam campus also.

Brilliant Study Centre is the leading entrance coaching institute in Kerala, with coaching for both medical and engineering entrance exams. We have a good record of admissions for the MBBS and Engineering classes for the last 34 years. Our students bagged admissions in the premier engineering and medical institutions like AIIMS, JIPMER, Medical Colleges all over India as well as IITS, BITS, NITS and various engineering colleges all over India. Good infra-structure, excellent faculty and course materials enabled us to achieve these.

This Institute is led by our Directors Mr. Sebastian G. Mathew, Mr. Stephen Joseph, Mr. George Thomas P. and Mr. Santhosh Kumar B. Their Vision & Mission, enthusiasm & dedication, hard work & constant care helped this institution to be in flying colours.

We have coaching centres all over Kerala and cream of students are admitted at our centres and we have a good alumni of students as Doctors working in various hospitals as well as studying in premier institutions.
