Sir,  
I am really thankful to Brilliant Study Center for giving us the most ideal environment to study. I joined OBS & GYNAC, at AIIMS, delhi, and Brilliant have helped me a lot in achieving this dream. The library provided is excellent well equipped with the latest guides for reference. The study environment is so good that we can put in 12-13hrs of study effortlessly, which was impossible while I was at home. Regular test conducted (Bhatia test series) covered the most important topics. The classes were good, which covered all high yield topics, which gave us robust notes to revise. The hostel provided was an added advantage, which ensured there was no time wastage. The faculty of Brilliant is like a family for us, who guides us, motivates us during our hardship. The guidance and inspiration helped me a lot to achieve this dream. I will always be thankful for Brilliant, who have given us such all facilities to utilise over time fully.

The institute which offers better than the best to its students. That is Brilliant Bhatia Institute. The ambience it provides with best infrastructure, a vast library with upto date editions of all the books needed and fully air conditioned class rooms definitely played a major role in my success. The intense efforts taken by the Brilliant center for conducting regular weekly tests helped me to stay up to date with the portion taught. The computer lab facility with 24 hr WiFi gave opportunity to attend the tests by DEMCI which gave me a good experience of the learning exams. A special thanks to all the faculty members of DEMCI for their concept oriented exceptionally good classes. The satellite were so interactive with doubt clearance made up feel no less than the live classes.
