ABOUT US

The Brilliant Study centre , the 'Numero Uno' among the innumerable entrance coaching centres in the state was established in the year 1984 by Sri Sebastian G. Mathew, Sri George Thomas P, Sri Stephen Joseph and Sri Santhosh kumar B. Ever since its inception in 1984, this institution has been providing excellent coaching facilities for medical and engineering entrance examinations. It also provides coaching for school students so that they can boldly face various competitive exams and scholarship tests like KVPY, Olympiads, RMO etc. In the year 2022, the Brilliant has started coaching for students who are going to appear the Common University Entrance Test (CUET). Over the years the Brilliant has produced a number of top ranks both at state and National levels. It has the credit of a proven record of the highest ranks in all the Medical and Engineering entrance exams in the state and national levels.

There were hardly 50 students during the year of inception. Today around 50000 students prepare for various entrance tests, Scholarship exams etc at this institution in a year. Covid 19 pandemic brought a big challenge for the entire coaching centres in the globe. The Brilliant was no exception. Actually Brilliant was one of the first coaching centres to move online during the pandemic period. Brilliant has been closely watching and adapting new techniques and technologies to enable better ways to reach out students.
