**COURSE DETAILS****1. Repeaters Programme.**

Repeaters batch is intended for those who have appeared once in the Entrance exam, but failed to obtain the rank aimed at. It is a one year programme, with more than 150 test papers and 15 model exams. The 6 months course is particularly useful for those who have joined some Med/Engg. course but are desirous of getting admission to a better course. It is a golden chance for those who have missed admission despite inclusion in the selection list.

**2. Long Term Programme.**

The long term course is very effective for regular PDC, CBSE, ISC and Higher Sec. students. Classes are conducted on Sundays, select public holidays, Onam, X'mas and Summer vacation. Classes start with test papers followed by evaluation and discussion. One month intensive boost up programme also will be there before the entrance examination.

**3. Short Term Intensive Programme.**

This is aimed at providing an intensive Exam-oriented coaching to those who have completed the 2nd PDC/ 12th std. of CBSE/ISC/Higher Sec. exams. This specially structured course consisting of many test papers and rehearsal tests, enables the student to face the entrance exam. with determination and confidence within a short span of time.
