Cut-off for govt medical colleges may rise by up to 20 marks in Tamil Nadu

Ragu.Raman@timesgroup.com
Chennai: More students from Tamil Nadu have scored high marks in National Eligibility-cum-Entrance Test (NEET) 2023 compared to the previous year and the cut-off marks may increase by up to 20 marks for most categories this year. Thirty-one students from the state scored more than 700 marks.
 According to the National Testing Agency (NTA), 386 students from Tamil Nadu scored more than 650 marks compared to 199 students last year. The number of Tamil Nadu students scoring between 500 and 650 marks also increased 40% from 4,271 last year to 6,015 this year.
 As many as 7,833 students scored between 400 and 499 marks compared to 4,293 students last year. Overall, 14,234 Tamil Nadu students scored 400-plus marks in NEET 2023 compared to 8,763 students in 2022.
 "We can expect the cut-off for OC category in government medical colleges to increase by 20 marks this year," said student counsellor Manickavel Arumugam.

This cut-off this year, it is expected to be around 600. For other categories the cut-off may increase by 20 to 30 marks.
 There are 37 government medical colleges in Tamil Nadu, including ESIC Medical College and Rajah Muthiah Medical College, with around 7,000 seats.
 Manickavel Arumugam said, "There is an increased awareness about all India quota seats and top colleges like AIIMS in New Delhi among the toppers. We can expect more toppers to opt for all-India quota (AIQ) seats this year," he said.
 Dr Edwin Joe, former director of medical education, agreed. "With more students from Tamil Nadu getting high marks, we can expect these students to migrate to other states under the all India quota. The state government should help students
